Subject Conversion of the vegetable market building at Malavalli into hotel

—

Sir

With reference to your letter No A Dr 293/45 46 D/22 12 47 on the above subject I am directed to observe that the mere fact that the vendors are not making use of the market may not be a sufficient reason for its conversion into a hotel which may later prove detrimental to

the interests of the towns people as a vegetable market is a necessity for any town. Whereupon I am also to enquire where this market was built and why it is not being resorted to by the vendors and are there no bye-laws enforcing the sale of vegetables on the said market otherwise where are the vegetables being sold by the vendors now?

An early reply on the matter is requested
